

FEATURES

- 1080p@60fps cinematic video recording
- Motion Blur Reduction
- Expanded ISO Range Up to ISO 12800
- Advanced WDR Technology-
Stunning Video in Any Light
- Large *f/1.6* Aperture-
Super Low Light Performance
- 6G Sharp Glass Lens
- 145° Ultra-Wide View Angle
- Effectively Reduces Reflected Light by
Adjustable Circular Polarizing Filter
- Wireless Freedom
- Parking Surveillance
- 10X Speed GPS Processor
- Sync Time & Date to the Atomic Clock
- G-Sensor Automatic Trigger for File Protection
- Manual File-lock
- Auto Start & Stop
- Loop Recording
- DOD GPS Player V2
- Supports up to 128GB MicroSD cards
- Optional Rear Camera for Dual 1080p.

SPECIFICATIONS

Video Resolution	1920x1080@60fps
Sensor	SONY STARVIS CMOS Sensor
Wide Angle Lens	145°
Aperture	<i>f/1.6</i>
ISO Sensitivity	Up to ISO 12800
Video Format	MP4
Recording Media	Micro SDHC Class 10(Up to 128G)
Audio	Mic and Speaker (Mono) Equipped
Battery	Supercapacitor

Power Input	5V 1.5A
Size	122(L) *35.8(W) *60.6(H) mm
Weight	120g
Temperature	-20°C~65°C (-4°F~149°F)

All specifications are subject to change without notice.

Accessory

- RC500S 1-CH Dash Cam x 1
- User guide x 1
- Car charger x 1
- CPL filter x 1
